VILLAGE MANAGER REPORT

Hello Glengollan Residents

It was lovely during January to have a bit of a slower pace to play catch up and continue making arrangements for this year. By the end of the month, staff were returning from leave and I was given the opportunity to cover Margie as the Acting CEO whilst she was on leave.

A great opportunity to have some further insight into her role and very grateful to hand it back over to her as I was jumping from one thing to another every day. This may have been the reason you didn't see much of me.

I was grateful to run over to the Clubrooms on Friday to have a yummy sausage in bread for lunch. Thanks to the Social Events Committee and all its helpers. I was also very pleased to see the number of residents who attended and support these events that are put on for your benefit.

Thanks to all those who have volunteered to be a part of the pilot program for the Intergenerational Playgroup. Numbers were slow to start but now we have reached capacity and look forward to commencing on Wednesday 7th February.

More excitement with the long anticipated opening of our very own Medical Centre. The centre will be exclusively for Glengollan residents and staff only. You would have all received invitations to attend the official opening on Wednesday 21 February to look at the medical centre then over to the main club room to meet Dr Reid and have a small presentation – great time to ask questions. I'm sure this will be an enormous benefit to many who struggle to get to a Dr's clinic, especially if you no longer have access to transport. Dr Reid attends to a large number of residents in our Care Home and is now also on The Board of Glengollan.

Now I'll finish up with some housekeeping rules/reminders.

Please remember the lawn areas around the village are considered common ground. Residents are responsible for the garden under your eaves. Anything that protrudes beyond that makes it difficult for our contract gardeners to mow lawns and keep the grounds looking tidy. Please be considerate with pots, garden ornaments etc.

Any private functions booked in either of the clubrooms requires a deposit. The deposit is held in the event of any breakages or damage. The same applies for any resident who requests to borrow equipment for a private function in your unit. We must follow a process to ensure events don't clash with bookings for the general Glengollan community as these take precedence and the Social Events committee have priority over the equipment. Probably best to check in with me first as I know what is coming up and what items are available. That way everyone is happy and there are no surprises.

That's it for this month, good health & good wishes! Cheers Kym

SOCIAL EVENTS COMMITTEE UPDATES February 2024

Hello Everyone,

Welcome to the new Year!

January was a quiet month, allowing the Committee a well earned rest.

Our January sausage sizzles were well attended and enjoyed by all. A big thank you to our two Chefs, Gary Strahan and Iris Nicholson.

The Clubrooms looked wonderful when decked out for Australia Day with Flags on the walls and Aussie thongs on all the tables. 50 Residents gathered together to celebrate with an Egg and Bacon muffin and fresh orange juice. This was followed up with tea, coffee and Lamingtons.

Bingo has recommenced on Wednesday nights. Books are only \$3.00 each, doors open at 7 pm with eyes down at 7.30pm. Come along and enjoy!

Our monthly Roast Dinner will start on the 23rd February so please get your bookings in as soon as possible. This is to help with catering.

Up-coming news:

Wednesday 6th March - U & I Designs (a new clothes outlet) will be bringing affordable items for sale.

Wednesday 13th March - Council Bus Outing The bus will take 37 people with room for 12 walkers. The cost per head for the bus is \$10. Morning tea and lunch expenses are your out of pocket expenses. More details to follow. Never to early to book.

Enjoy the warm weather and take care.

Until next month.

GARDEN CLUB REPORT

Hello everyone,

Just getting over a hectic December and January has passed me by. A busy month and February is already knocking on my door. The glass house has had a much needed clean up and the shade sail for the vegie patch has been purchased and hopefully will be set up before too long (we are looking for volunteers to help us with this). Lizzie is still available at Friday nights Happy Hour at 3 Hutton Ave with freshly cut vegetables and Kaye is available at NCC (but please ring Kaye if you wish to purchase vegetables at this venue). We have various produce items for sale including tomatoes, onions, beans, silver beet and lettuce at cost price.

If you are looking to fill some spaces in your garden with flowering plants, come along on Saturday 10th February 2024 as we will be having a mini plant sale with mini prices.
