

VILLAGE VOICE

July 2019

BIG THANKS TO OUR VOLUNTEERS

Farewell to Glengollan's first international volunteers. Maggi helped at the village and Charlie with the aged care team. These two young women enhanced the lives of our residents, providing special one-to-one support during visits to residents who are more house bound, and being a welcome part of our social events program. Their willingness to help was appreciated by residents, their families and especially staff.

Maggi said, "it's so beautiful coming to the village with the gardens, birdlife and you can even see the mountains".

It's the little things that go unnoticed that can mean so much. Help with cooking meals, computer issues and even delivering the mail.

Left to right: Charlotte Stickler and Margarete Richter

It was wonderful to have them here.

Our social events team are grateful that they were keen to participate in the fun of all village activities. Maggi made a super model during our fashion parade!

We look forward to welcoming two new volunteers in September.

FANCY A FREE ROAST LUNCH, WITH DESSERT!

If you are interested in becoming a resident join us for our monthly celebration. Places limited! **To confirm date and bookings, contact reception on 9758 1093**
